

Avenues of Royal Oaks

A vibrant Halloween-themed illustration for a 'Trunk or Treat' event. The central focus is the open trunk of a blue car, which is filled with a large bowl of colorful, wrapped candies. The bowl is shaped like a jack-o'-lantern with a carved face. Above the trunk, the words 'TRUNK OR TREAT' are written in large, stylized letters: 'TRUNK' in orange, 'OR' in white, and 'TREAT' in green. The trunk is decorated with a string of colorful triangular bunting flags. To the left of the car, a friendly-looking white ghost with large eyes and a wide smile holds a small jack-o'-lantern. To the right, a black cat wearing a purple witch's hat with an orange band peeks out from behind a large jack-o'-lantern. The background is a dark purple night sky with a large, bright yellow full moon, several black bats in flight, and the silhouettes of bare trees.
